

DISSEMINATION REPORT

Borys Grinchenko Kyiv University

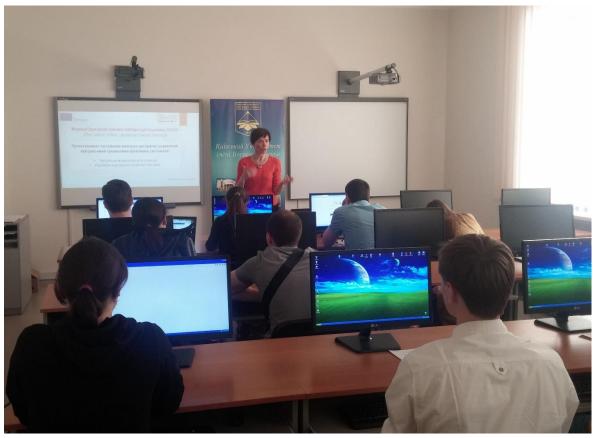

Project partner	Borys Grinchenko Kyiv University		
Type of dissemination activity	Special meeting for students Workshop "Presentation of DESIRE. Design of three- dimensional model in CAD environment Creo Parametric 2.0»		
Date and place of activity	May, 6th, grinchenko hall (213) M.Tymoshenko, 13-B		
Partners involved			
External stakeholders involved			
Approximate no of all stakeholders involved	25		
Target audience	Students		
Short description of the event	The lecturers of Chair of Computer Science O. Lytvyn and S. Spivak briefed the students with the purpose and objectives of the project; opportunities available to students for designing and programming embedded systems and robots; described the new frontiers of research in the field of robotics, software and hardware of embedded systems and the prospects for employment and student organizations startup projects, research and development based on virtual and hybrid laboratories that will be launched in the course of the project. Also, a meeting was held practical classes on the basics of designing three-dimensional model in an environment CAD Creo Parametric 2.0.		
Web-page, link to the event			
Student involvement	Yes
